

under title II of WIOA, YouthBuild, Job Corps, high school equivalency programs, or dropout re-engagement programs regardless of the funding source of those programs. Youth attending high school equivalency programs funded by the public K-12 school system who are classified by the school system as still enrolled in school are an exception; they are considered ISY.

§ 681.240 When do local youth programs verify dropout status?

Local WIOA youth programs must verify a youth's dropout status at the time of WIOA youth program enrollment. An individual who is out of school at the time of enrollment, and subsequently placed in any school, is an OSY for the purposes of the 75 percent expenditure requirement for OSY throughout his/her participation in the program.

§ 681.250 Who does the low-income eligibility requirement apply to?

(a) For OSY, only those youth who are the recipient of a secondary school diploma or its recognized equivalent and are either basic skills deficient or an English language learner, and youth who require additional assistance to enter or complete an educational program or to secure or hold employment, must be low-income. All other OSY meeting OSY eligibility under § 681.210(c)(1), (2), (4), (5), (6), (7), and (8) are not required to be low-income.

(b) All ISY must be low-income to meet the ISY eligibility criteria, except those that fall under the low-income exception.

(c) WIOA allows a low-income exception where five percent of WIOA youth may be participants who ordinarily would be required to be low-income for eligibility purposes and meet all other eligibility criteria for WIOA youth except the low-income criteria. A program must calculate the five percent based on the percent of newly enrolled youth in the local area's WIOA youth program in a given program year who would ordinarily be required to meet the low-income criteria.

(d) In addition to the criteria in the definition of "low-income individual" in WIOA sec. 3(36), a youth is low-income if he or she receives or is eligible

to receive a free or reduced price lunch under the Richard B. Russell National School Lunch Act (42 U.S.C. 1751 *et seq.* or if he or she lives in a high poverty area.

§ 681.260 How does the Department define "high poverty area" for the purposes of the special regulation for low-income youth in the Workforce Innovation and Opportunity Act?

A youth who lives in a high poverty area is automatically considered to be a low-income individual. A high poverty area is a Census tract, a set of contiguous Census tracts, an American Indian Reservation, Oklahoma Tribal Statistical Area (as defined by the U.S. Census Bureau), Alaska Native Village Statistical Area or Alaska Native Regional Corporation Area, Native Hawaiian Homeland Area, or other tribal land as defined by the Secretary in guidance or county that has a poverty rate of at least 25 percent as set every 5 years using American Community Survey 5-Year data.

§ 681.270 May a local program use eligibility for free or reduced price lunches under the National School Lunch Program as a substitute for the income eligibility criteria under title I of the Workforce Innovation and Opportunity Act?

Yes, WIOA sec. 3(36) defines a low-income individual to include an individual who receives (or is eligible to receive) a free or reduced price lunch under the Richard B. Russell National School Lunch Act.

§ 681.280 Is a youth with a disability eligible for youth services under the Workforce Innovation and Opportunity Act if his or her family income exceeds the income eligibility criteria?

Yes, for an individual with a disability, income level for eligibility purposes is based on the individual's own income rather than his or her family's income. WIOA sec. 3(36)(A)(vi) states that an individual with a disability whose own income meets the low-income definition in clause (ii) (income that does not exceed the higher of the poverty line or 70 percent of the lower living standard income level), but who is a member of a family whose income
